Dear Valued Customer:

Intelleg Communications Corporation, a newly formed affiliate of Dobson and McLoud Telephone Company, is pleased to inform you that it has purchased your Long Distance account from Logix Communications. It is our pleasure to begin offering you the same high quality of service in your long distance needs as you have come to expect in your local services.

Beginning July 21, 2003, we will automatically transition your long distance service to Intelleg Long Distance. Although your service will now be provided through Intelleg Communications Corporation, you will continue to pay the same rates as before and will now have the quality and reliability of Intelleg Long Distance. Intelleg will work closely with Dobson and McLoud Telephone to continue to provide you with one single bill for all your telecommunications needs.

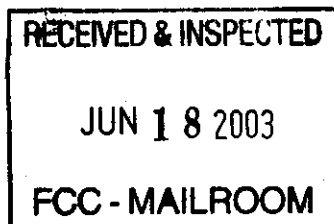

Intelleg will shortly begin offering you a variety of long distance services, including prepaid cards, calling cards and 800 services. If you have a Logix calling card, within 45 to 60 days, Intelleg will provide you a new calling card. Until that time, you may continue to use your Logix calling card. If you have any questions about Intelleg Long Distance, or this transition from Logix, please call your customer service representative at **(405)964-8468**.

We recognize that you have a choice of long distance carriers and we are committed to earning your service with every call you make. However, should you wish to select a different long distance carrier, please call us at the above number. We will continue to keep you informed as Intelleg Communications Corporation begins to offer additional services.

From all the staff at Intelleg Communications Corporation, we would like to thank you for your business.

Sincerely,

Intelleg Communications Corporation

Dear Customer:

On July 21st Intelq Communications Corporation will purchase the long distance customers that Logix serves in the Dobson Telephone Service area. At this time Intelq will not be able to offer you the same calling plan you are currently utilizing. The plans Intelq will be offering are:

- 1 10 cents a minute and \$4.95 per month, OR
- 2 A flat 14 cents per minute.

We acknowledge that these rates are higher than you are currently paying; however Intelq's goal is to deliver additional service plans that provide increased savings to our customers.

At this time we must adjust your rate to one of our current plans. We recognize and extend our apologies for this inconvenience. Should you choose not to continue service with Intelq at one of the above plans; Intelq will pay the cost of moving you to any other long distance carrier that you choose.

If you would like to utilize the 10-cent a minute and \$4.95 a month plan, please notify Intelq at **(580) 497-3300**. Should you desire the 14 cents a minute flat rate, no action on your part is necessary.

We look forward to serving your long distance needs.

Sincerely,

Intelq Communications Corporation
